

# Occupational Health and Safety Policy

Hysense Property Services is a multidisciplinary cleaning company specializing in commercial cleaning. We deliver a solution that is built based on the customer's specific needs, no site is too challenging and we thrive on sites where the customer is faced with difficulties and challenges whether it is budgetary, site specific or simply finding good honest help.

We are continually innovating to ensure that we provide the most efficient and cost-effective solution to our customers, all Hysense staff and work is done in-house so you are always talking to us.

Hysense Property Services is committed to:

- providing safe and healthy working conditions for the prevention of work-related injury and ill health
- eliminating hazards and reducing health and safety risks from our activities, products and services, so far as is reasonably practicable
- investigating incidents to prevent recurrence by implementing and reviewing corrective and preventive actions
- maintaining, measuring, reporting and reviewing measurable objectives and targets
- complying with applicable legislative and compliance obligations
- implementing, maintaining and continuously improving our Occupational Health and Safety Management System to enhance performance
- consulting with our workers, their representatives and other relevant persons, and ensuring their participation in improving, matters affecting their health and safety
- providing adequate resources to achieve the intent of this policy, objectives and targets and all elements of our Occupational Health and Safety Management System to the standard of AS/NZS ISO 45001:2018.

Our workers shall:

- present for work in a safe and fit manner
- take reasonable care that their acts or omissions do not adversely affect their health and safety, or that of other persons
- report incidents and unsafe practices to the relevant Hysense Property Services representative
- comply with Hysense Property Services integrated management system documentation, training and instruction

This Occupational Health and Safety Policy shall:

- be available as documented information and to interested parties as appropriate
- be communicated within Hysense Property Services

I commit Hysense Property Services activities, products and services to this policy.
